

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Sunday, Oct. 15

Scientific Schedule

SAN
Sociedad Argentina de Nutrición

MORNING	📍🕒	8:30-10:30	10:30 11:00	11:00-13:00	13:00 14.00
				Break	
San Telmo	SY 144/1034 - Leveraging Food Systems to Improve Food Systems and Nutrition <i>FAO, Tufts University & Global Alliance for Improved Nutrition (GAIN) (USA)</i>			SY 144/1034 - Continuation...	
Libertador C	SY 144/1002 - Better Together: Lessons learned from multi-sectoral implementation of nutrition programs <i>John Snow Incorporated (JSI) Research & Training Institute (USA)</i>			SY 144/1002 - Continuation...	
Libertador B	SY 144/156 - Malnutrition in all its forms and socioeconomic status in Latin America: Who are more affected? <i>Latinoamerican Nutrition Society (SLAN) / Iberoamerican Nutrition Foundation (FINUT)</i>			SY 144/156 - Continuation...	
Libertador A	SY 144/36 - Polyphenols: value in human nutrition <i>School of Pharmacy and Biochemistry, University of Buenos Aires (Argentina)</i>			SY 144/1008 - Cracking the egg potential to reduce child stunting and improve rural livelihoods <i>Children's Investment Fund Foundation (UK)</i>	
Catalinas	SY 144/145 - Avances y controversias de la nutrición en Latinoamérica <i>GLANC & SENC (Spain & Latin America)</i>			SY 144/145 - Continuation...	
Retiro C	SY 144/1056 - From Evidence to Policy: What it takes to Bridge the Gap <i>MQSUN & Nutrition Embedding Evaluation Programme (NEEP)</i>			SY 144/1056 - Continuation...	
Retiro B	SY 144/138 - Educación nutricional por FESNAD en España <i>Spanish Federation of Nutrition Societies (FESNAD)</i>			SY 144/138 - Continuation...	
Retiro A	SY 144/159 - Cohort studies in Ibero-America <i>Ibero-American chapter of the DOHaD Society (Chile)</i>			SY 144/159 - Continuation...	
Auditorium	SY 144/1007 - ICAN Symposium <i>International Colleges for the Advancement of Nutrology (ICAN) (Brazil)</i>			SY 144/1007 - Continuation...	

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Sunday, Oct. 15

Scientific Schedule

AFTERNOON	📍🕒	14:00-16:00	16:00 16:30	16:30-18:30	19:00 19:30	19:30 20:15	20:15 21:00	21:00
San Telmo		SY 144/1013 - WHO Workshop on the Tracking Tool to monitor the Global Nutrition Targets for 2025 <i>World Health Organization (WHO)</i>	Break	SY 144/1013 - Continuation...	CE Opening Ceremony (Plenary Room: Libertador A+B+C)	PL Opening Lecture Opening Lecture: Fit for the Future: Aligning Nutritional Sciences for the Service of Humanity (Prof. Andrew M. Prentice) (Plenary Room: Libertador A+B+C)	OA Concert "Lyrical Gala" (Sextett) (Plenary Room: Libertador A+B+C)	OA Welcome Cocktail (First Floor)
Libertador C	SY 144/1020 - Innovative Methods and Metrics for Agriculture and Nutrition Actions (IMMANA) <i>London School of Hygiene & Tropical Medicine (UK)</i>	SY 144/1058 First-Foods: Accelerating progress to improve the quality of complementary foods and feeding practices for children <i>UNICEF Nutrition HQ (USA)</i>						
Libertador B	SY 144/1026 - Farm to Fork—Pathways to Nutrition Outcomes and Implementation Challenges of Integrated Agriculture-Programs <i>Helen Keller International (HKI) (USA)</i>	SY 144/1026 - Continuation...						
Libertador A	SY 144/1003 - The role of biodiversity in improving diets, nutrition and health <i>Fondation Daniel et Nina Carasso (France)</i>	SY 144/1003 - Continuation...						
La Pampa	SY 144/1030 - Promotion and consumption of commercially-produced snacks during the complementary feeding period: Country experiences, policy implications <i>Helen Keller International, ARCH Project</i>	SY 144/1032 - Application of WHO guidelines on optimal blood folate concentrations to prevent NTDs in countries <i>World Health Organization (WHO)</i>						
Catalinas	SY 144/1006 - Tools to promote tailored intervention programs in nutritional deprived elderly living communities <i>PRONUTRISENIOR Project, University of Porto (Portugal)</i>	SY 144/1006 - Continuation...						
Retiro C	SY 144/1044 - Nutrición y Gastronomía en América Latina: Retos y Oportunidades <i>Spanish Nutrition Foundation & Iberoamerican Academy of Gastronomy</i> ESP	SY 144/1044 - Continuation... ESP						
Retiro A	SY 144/1038 - 'Fill the Nutrient Gap' with 'Cost of the Diet' to inform Nutrition Policy and Programming <i>World Food Programme (WFP) & Save the Children</i>	SY 144/1038 - Continuation...						
Auditorium	SY 144/1025 - Perspectives on nutrient density: Too high and too low <i>CeSSIAM - The Center for Studies of Sensory Impairment, Aging and Metabolism (Guatemala)</i>	SY 144/1025 - Continuation...						
Golden Horn	SY 144/1049 - Scaling up Rice fortification in Latin America and the Caribbean <i>World Food Programme (WFP). Regional Bureau for Latin America and the Caribbean, Nutrition Unit</i>	SY 144/1049 - Continuation...						
Atalaya	IUNS Early Career Grants Meeting <i>International Union of Nutritional Sciences (IUNS)</i>							

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Monday, Oct. 16

Scientific Schedule

MORNING	08:00-10:00	10:00	10:30	11:30-13:30	13:30
		10:30	11:15		
San Telmo Track 3	SY 144/84 - History and Legal Challenges of Creating and Protecting A Sugar - Sweetened Beverage Tax in Mexico: Lessons for the globe <i>University of North Carolina at Chapel Hill (USA)</i>	Break	Plenary Lecture - Zinc Transporter Functions in Health and Disease (Dr. Robert J. Cousins) (Plenary Room: Libertador A+B+C)	SY 144/85 - Impact of large - scale food - related regulatory efforts: Mexico and Chile <i>University of North Carolina at Chapel Hill (USA)</i>	Lunch
Libertador C Track 1	SY 144/26 - The Biology of the First 1,000 Days of Life <i>Sight and Life (Switzerland)</i>			SY 144/93 - Addressing Child Malnutrition: Newer Measures to Advance Prevention and Treatment Outcomes <i>Tufts University Food Aid Quality Review (USA)</i>	
Libertador B Track 3	SY 144/83 - Dietary Guidelines in Europe: Recent Developments <i>Federation of European Nutrition Societies (FENS) (Europe)</i>			SY 144/109 - Integration to Implementation (I to I) on Vitamin A Interventions <i>Micro nutrient Forum Canada (Canada)</i>	
Libertador A Track 2	SY 144/16 - Aging Gracefully: Staying Healthy and Well Late into Life <i>International Life Sciences Institute (ILSI), the ILSI Research Foundation and ILSI branches</i>			SY 144/91 - Early Nutrition and its Effects on Health <i>Iberoamerican Nutrition Foundation (FINUT)</i>	
La Pampa Track 4	SY 144/38 - Prevention of Type - 2 Diabetes in Overweight and Obese Subjects. Achievements and Results from the Large EU - Project, PREVIEW <i>University of Copenhagen (Denmark)</i>			SY 144/95 - MooDFOOD: Preventing Depression through Food <i>Vrije Universiteit, Moodfood Consortium (The Netherlands)</i>	
Catalinas Track 6	SY 144/97 - High - Value Nutrition- a New Zealand National Science Challenge <i>University of Auckland (New Zealand)</i>			SY 144/141 - Essence of Washoku, UMAMI is the Basic Taste for Better Nutrition? <i>Jumonji University (Japan)</i>	
Retiro C Track 8	SY 144/104 - Food Composition is Central to a Food System Approach for Nutrition <i>IUNS Task Force - INFOOD</i>			SY 144/130 - Benchmarking Government Policies to Improve Food Environments Globally <i>The International Network for Food and Obesity (INFORMAS) (New Zealand)</i>	
Retiro B Track 7	SY 144/90 - The PREDIMED Studies: a Leap Forward in Nutrition <i>Ciber Fisiopatología de la Obesidad y Nutrición, Instituto de Salud Carlos III (Spain)</i>			SY 144/110 - Towards Global Leadership in Nutrition <i>Nutrition Leadership Programs and the IUNS Task Force - Capacity Development in Nutrition</i>	
Retiro A Track 5	SY 144/146 - Novel Functions and Uses of Amino Acids <i>Japan Society of Nutrition and Food Science, Japanese Society for Amino Acid Sciences, and International Council on Amino Acid Science (Japan)</i>			SY 144/105 - Nutrition Science at a Cross - Road <i>Division Human Nutrition, Wageningen University (The Netherlands)</i>	
Auditorium Regional meetings	SY 144/143 - Food Consumption Surveys: Results and Uses <i>FEN, SENC & GLANC (Spain & Latin America)</i>			SY 144/151 - New Technologies that Match New Concepts in Nutrition <i>Biotechnology And Food Technology Institutes (INTA) (Argentina)</i>	
Golden Horn International Orgs. & Projects		SY 144/1036 - Monitoring and Enforcement of the International Code of Marketing of Breast-milk Substitutes: Experiences with a New WHO/UNICEF Protocol <i>World Health Organization & UNICEF</i>			
Atalaya Miscellaneous Tracks	SY 144/161 - Impact of Menopause on the Nutritional Health of Argentinian Women UBACyT Projects 2008-2017 <i>Buenos Aires' University. School of Medicine. School Nutrition (Argentina)</i> ESP				
Águila Miscellaneous Tracks	SY 144/1059 - Transition food systems and shifting diets in low- and middle-income countries: What do they look like now, and where are they headed? <i>Johns Hopkins University (USA) & The Global Alliance for the Future of Food (Canada)</i>	SY 144/140 - Trends and practice in clinical nutrition <i>Universidad Autónoma de Nuevo León y Colegio Mexicano de Nutriólogos (Mexico)</i>			

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Monday, Oct. 16

Scientific Schedule

AFTERNOON	Location	14:30-15:00	15:00 16:30	16:30 17:00	17:00-19:00		19:00-21:00	
					Break			
San Telmo Track 3		CO Special Lecture: The Nutrition Transition and Food System Dynamics: The Accelerating Speed of Change <i>Prof. Barry M. Popkin</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Libertador C Track 1		CO Special Lecture: Microbiota and Obesity <i>Prof. J. Alfredo Martínez</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Libertador B Track 3		CO Special Lecture: Declining consumption of added sugars and sugar-sweetened beverages in Australia: a challenge for obesity prevention <i>Prof. Jennie Brand-Miller</i>	AB Oral Abstract Session			SS Sponsored Symposium	OA IUNS General Assembly Part I	
Libertador A Track 2		CO Special Lecture: The Chain of Food Science and Technology, Nutrition and Engineering Links in addressing issues of Lifestyle and Health—FARM to FOLK <i>Dr. Vishwesihwaraiah Prakash</i>	AB Oral Abstract Session			SS Sponsored Symposium		
La Pampa Track 4		CO Special Lecture: New insights into obesity prevention in children and adolescents <i>Prof. Luis A. Moreno Aznar</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Catalinas Track 6		CO Special Lecture: Molecular mechanisms of action of probiotics <i>Prof. Ángel Gil</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Retiro C Track 8		CO Special Lecture: Nutrition-sensitive agriculture – what does it mean and which impact it can have in addressing actual malnutrition problems <i>Dr. Ruth Charrondiere</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Retiro B Track 7		CO Special Lecture: Weight loss using a healthy diet and exercise promotion to prevent cardiovascular disease: The PREDIMED-Plus trial <i>Prof. Jordi Salas Salvador</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Retiro A Track 5		CO Special Lecture: Beneficial effect of probiotics consumption on the Immune System <i>Prof. Gabriela Perdigón</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Auditorium Regional meetings		CO Special Lecture: Non-alcoholic fatty liver <i>Dr. Lisandro A. García</i>	AB Oral Abstract Session			SS Sponsored Symposium		
Golden Horn International Orgs. & Projects		SY 144/1051 - The Scaling-Up Nutrition (SUN) movement stunting prevention program 'Right Foods at the Right Time: Targeting Nutrition of Children under Two' in Malawi <i>World Food Programme (WFP)</i>						
Atalaya Miscellaneous Tracks		SY 144/1043 - Vitamin C – are current recommendations sufficient? <i>University of Copenhagen (Denmark)</i>						
Águila Miscellaneous Tracks		SY 144/1053 - Bariatric and Metabolic Surgery. Strategies for Success: An Integrated Approach to Obesity and T2DM Patient Management <i>Argentine Society of Nutrition- Bariatric Surgery Working Group (Argentina)</i>						

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Tuesday, Oct. 17

Scientific Schedule

MORNING	08:00-10:00	10:00	10:30	11:30-13:30	13:30
		10:30	11:15		
San Telmo Track 3	SY 144/72 - Programmatic Implications from Risk -benefit analysis of iron interventions in young children <i>IUNS Task Force - Risks and Benefits of Iron</i>	Break	Plenary Lecture - Humans vs Obesity: Who will win? (Dr. Benjamín Caballero) (Plenary Room: Libertador, A+B+C)	SY 144/1046 - An Investment Framework in Nutrition: Current progress in costing and financing the scale-up of evidence-based nutrition interventions <i>The World Bank</i>	Lunch
Libertador C Track 1	SY 144/1004 - Gut Microbiota Targets in Nutrition <i>Gut Microbiota for Health</i>			SY 144/1011 - South American Youth / Child Cardiovascular and Environment Study (acronym: SAYCARE Study) <i>SAYCARE (South America)</i>	
Libertador B Track 3	SY 144/82 - Science Based Measures to Increase Nutrition Quality in Germany <i>German Nutrition Society (DGE) (Germany)</i>			SY 144/121 - Reduction in SALT Consumption in Diets for Combating NCDs for Better Health and Wellness <i>IUNS-Unilever collaboration on Salt Reduction</i>	
Libertador A Track 2	SY 144/106 - Using Implementation Research to Build Better Multisectoral Programs for Improving Maternal and Child Nutrition Outcomes <i>Society for Implementation Science in Nutrition (SISN), IFPRI (USA)</i>			SY 144/71 - The WHA Global Nutrition Targets for 2025: tackling the double burden of malnutrition through the lifecycle. <i>World Health Organization (WHO)</i>	
La Pampa Track 4	SY 144/123 - Building Capacity to Prevent and Treat Malnutrition <i>IUNS Task Force - Prevention and Control of Malnutrition</i>			SY 144/115 - Low-Calorie Sweeteners - update on health & safety <i>International Life Sciences Institute (ILSI) (USA)</i>	
Catalinas Track 6	SY 144/42 - The Human Microbiome: sharing our bodies <i>International Life Sciences Institute (ILSI) (USA)</i>			SY 144/101 - Functional Foods 2017 - New PERSPECTIVES <i>The Hebrew University of Jerusalem (Israel)</i>	
Retiro C Track 8	SY 144/155 - Research and Scaling Up Nutritionally Sensitive Agricultural Innovations <i>International Development Research Centre and Global Affairs Canada (Canada)</i>			SY 144/154 - From Sustainable Farms to Better Nutrition: linking commitments to research, policy and practice <i>Rome-Based Agencies for Food, Agriculture and Nutrition (FAO-UN / IFAD-UN / WFP-UN / CGIAR)</i>	
Retiro B Track 7	SY 144/168 - Latin American Survey of Nutrition and Health: what they have in common and in what they differ, eight countries of Latin America? <i>Pontificia Universidad Javeriana (Colombia)</i>			SY 144/92 - The eNutrition Academy: global online learning and capacity development <i>Enutrition Academy (UK)</i>	
Retiro A Track 5	SY 144/108 - Meaning of Linear Growth: appropriate use of growth as a measure in development <i>University of South Carolina & IFPRI (USA)</i>			SY 144/120 - Immunonutrition in Health and Disease: role of bioactive compounds <i>International Society for Immunonutrition (ISIN)</i>	
Auditorium Regional meetings	SY 144/86 - New Technologies to Detect and Study Adverse Lifestyles in Cardiometabolic Diseases <i>National University of Córdoba, Argentina and IECS (Argentina)</i>			SY 144/117 - Updating on Active Principles. Active principles on food and their relation to health <i>CASLAN & Universidad Juan Agustín Maza Mendoza (Argentina)</i>	
Golden Horn International Orgs. & Projects		SY 144/1040 - Shaping Global Food Systems for Better Nutrition <i>Global Alliance for Improved Nutrition (GAIN)</i>			
Atalaya Miscellaneous Tracks	SY 44/118 - High Quality Olive Oil: nutrition and Health <i>Facultad de Ciencias de la Salud, Universidad Nacional de Catamarca (Argentina)</i>	SY 144/167 - Latin American Survey of Nutrition and Health (ELANS): main results on intake, physical activity and sedentarism in eight countries <i>Centro de Nutrología y Dificultades Alimentares, Universidade Federal de São Paulo (Brazil)</i>			
Águila Miscellaneous Tracks	SY 144/1062 - No time to waste: progress and road ahead for care for severely malnourished children <i>UNICEF Nutrition HQ (USA)</i>	SY 144/1060 - Ethical challenges and implications of sharing, selling and donating human milk <i>PATH (USA)</i>			

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Tuesday, Oct. 17

Scientific Schedule

AFTERNOON	Location	14:30-15:00	15:00-16:30	16:30 17:00	17:00-19:00	19:00-21:00
				Break		
San Telmo Track 3	CO Special Lecture: What the world can learn from Mexico's battle against obesity: the process, results, push backs and future challenges <i>Dr. Simon Barquera</i>	AB Oral Abstract Session	Break	SS Sponsored Symposium	OA Show "SuperSaludable"	
Libertador C Track 1	CO Special Lecture: Immunonutrition and determinants of lifestyle <i>Prof. Ascensión Marcos</i>	AB Oral Abstract Session		SS Sponsored Symposium		
Libertador B Track 3	CO Special Lecture: Invoking the Base of the Iceberg: Origins and Consequences of Endemic Short-Stature (erroneously termed "Chronic Undernutrition") <i>Prof. Noel W. Solomons</i>	AB Oral Abstract Session		SS Sponsored Symposium		
Libertador A Track 2	CO Special Lecture: Impact of Early Life Nutrition on the Gut Microbiome and Host-Microbe Interactions in the Human Infant <i>Prof. Sharon Donovan</i>	AB Oral Abstract Session		SS Sponsored Symposium		
La Pampa Track 4	CO Special Lecture: Challenges in the care of children and adolescents with type 1 diabetes <i>Dr. Carmen Mazza</i>	AB Oral Abstract Session		SS Sponsored Symposium		
Catalinas Track 6	CO Special Lecture: Feeding the immune system: the Danone International Prize for Nutrition 2016 <i>Prof. Philip C. Calder</i>	AB Oral Abstract Session		SS Sponsored Symposium		
Retiro C Track 8	CO Special Lecture: Investing in Nutrition: What will we buy? <i>Dr. Meera Shekar</i>	AB Oral Abstract Session		SS Sponsored Symposium	OA Meeting FANUS	
Retiro B Track 7	CO Special Lecture: Sustainable diet for a sustainable weight <i>Prof. Anne Raben</i>	AB Oral Abstract Session		SS Sponsored Symposium		
Retiro A Track 5	CO Special Lecture: Meal pattern analysis: New insight into dietary pattern and their health consequences <i>Prof. Heiner Boeing</i>	AB Oral Abstract Session		SS Sponsored Symposium		
Auditorium Regional meetings	CO Special Lecture: Nutrition early in life: programs and interventions and their impact along the lifecourse <i>Dr. Pablo Durán</i>	AB Oral Abstract Session		SS Sponsored Symposium		
Golden Horn International Orgs. & Projects	SY 144/1047 - Fats in our Foods - current evidence for dietary advice <i>IEM & IUNS Collaboration on Dietary Fats</i>			SS Sponsored Symposium	OA Cocktail American Society of Nutrition	
Atalaya Miscellaneous Tracks	SY 144/1018 - Strategies for incorporation of suitable carbohydrates in the prevention of chronic diseases <i>University of Buenos Aires. Faculty of Pharmacy and Biochemistry (Argentina)</i>			SS Sponsored Symposium		
Águila Miscellaneous Tracks		AB Oral Abstract Session				

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Wednesday, Oct. 18

Scientific Schedule

MORNING	8:00-10:00	10:00	10:30	11:30-13:30	13:30
		10:30	11:15		
San Telmo Track 3	SY 144/44 - Physical Activity and Health: new knowledge in research and technologies <i>International Life Sciences Institute (ILSI) (USA)</i>	Break	Plenary lecture: From Treating Childhood Malnutrition to Public Health Nutrition (Prof. W. Philip T. James) (Plenary Room: Libertador, A+B+C)	SY 144/162 - Preventing Childhood Obesity in Latin America: building the evidence base for effective policies and programs <i>National Institutes of Health / Fogarty International Center (USA)</i>	Lunch
Libertador C Track 1	SY 144/73 - 50 Years of Nutrition Research Support in Low Income Countries: achievements and needs <i>Nestle Foundation for the Study of Problems of Nutrition in the World (Switzerland)</i>			SY 144/1017 - Oxygen: a neglected nutrient <i>The Nutrition Society (UK & Ireland)</i>	
Libertador B Track 3	SY 144/103 - Diet, Nutrition, Physical Activity and Cancer: towards the 2017 WCRF Continuous Update Project update <i>World Cancer Research Fund International (WCRF)</i>			SY 144/132 - Front of the Package Profiling Emerges as a Major Regulatory Tool Globally: new impact research <i>Institute of Nutrition and Food Technology (INTA), University of Chile (Chile)</i>	
Libertador A Track 2	SY 144/78 - Objective Assessment of Breast-feeding Practices <i>International Atomic Energy Agency (IAEA) (Austria)</i>			SY 144/13 - Infections in Pregnancy: a huge, and avoidable, cause of malnutrition in childhood <i>Children's Investment Fund Foundation (UK)</i>	
La Pampa Track 4	SY 144/133 - Comprehensive Management of Obese Patients. <i>Paraguayan Society of Nutrition (Paraguay)</i>			SY 144/116 - New Strategies in the Control of Energy Balance <i>Spanish Nutrition Society (SEÑ) (Spain)</i>	
Catalinas Track 6	SY 144/127 - Functional Foods and Bioactive Compounds on the Management of Metabolic Syndrome <i>Centre for Nutrition Research, University of Navarra and CiberoBn, Carlos III (Spain)</i>			SY 144/170 - Phytonutrients in nutrition and health: From theory to practice <i>Chinese Nutrition Society (China)</i>	
Retiro C Track 8	SY 144/94 - Food Aid Research: update on food aid for preventing and treating undernutrition <i>Tufts University, Friedman School of Nutrition Science and Policy (USA)</i>			SY 144/131 - Potential of Monitoring Food Environments for Improving Accountability and Policy <i>The International Network for Food and Obesity (INFORMAS) (New Zealand)</i>	
Retiro B Track 7	SY 144/6 - Indigenous Peoples' Gender Roles, biodiversity and food security <i>IUNS Task Force - Traditional, Indigenous and Cultural Food and Nutrition</i>			SY 144/102 - African Graduate Nutrition Students Network (AGSNet) Symposium at ICN, 2017 <i>African Graduate Nutrition Students Network (AGS-Net) (Africa)</i>	
Retiro A Track 5	SY 144/147 - The Importance of Protein for Supporting Health in an Aging Society <i>Laboratory of Nutrition Science, Graduate School of Life and Environmental Sciences (Japan)</i>			SY 144/45 - Advancement of Global Food Composition Databases <i>International Life Sciences Institute (ILSI) (USA)</i>	
Auditorium Regional meetings	SY 144/114 - New Tools for Nutritional Assessment in Early Life: how to manage them <i>Sociedad Uruguaya de Salud Colectiva (SUSAC) (Uruguay)</i>			SY 144/87 - Seven-country study on ultra-processed food intake and overall dietary nutrient profile: findings and global policy implications <i>University of Sao Paulo (Brazil)</i>	
Golden Horn International Orgs. & Projects		SY 144/163 - WHO/CDC Symposium on the assessment of vitamin A status in populations <i>World Health Organization (WHO)</i>			
Atalaya Miscellaneous Tracks		SY 144/77 - Medical Management of Obesity <i>Associação Brasileira de Nutrologia (ABRAN) (Brazil)</i>			
Águila Miscellaneous Tracks	SY 144/1064 - Obesity: science based Interventions <i>Argentinian Society of Nutrition (SAN) (Argentina)</i>	SY 144/1067 - Getting your manuscript published: practical tips for preparing your manuscript, avoiding common mistakes, and choosing the right journal <i>American Society for Nutrition (ASN) (USA)</i>			

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Wednesday, Oct. 18

Scientific Schedule

AFTERNOON	Location	14:30-15:00	15:00-16:30	16:30	17:00-19:00	19:00-21:00
				17:00		
	San Telmo Track 3	CO Special Lecture: Enabling and disabling health systems through food systems <i>Prof. Mark Wahlqvist</i>	OA IUNS Living Legend & Young Scientist Award	Break	SS Sponsored Symposium	
	Libertador C Track 1	CO Special Lecture: How to make the most of high-density genetic data for human nutrition research <i>Prof. Martin Kohlmeier</i>			SS Sponsored Symposium	
	Libertador B Track 3	CO Special Lecture: Stunting: challenges in estimating prevalence and potential solutions <i>Dr. Joel Conkle</i>	OA UBA Dr. Pedro Escudero Award		SS Sponsored Symposium	OA IUNS General Assembly Part II
	Libertador A Track 2	CO Special Lecture: Heterogeneity in response to nutrition interventions during the first thousand days: evidence from randomized controlled trials using lipid-based nutrient supplements for mothers and infants in Africa and South Asia <i>Dr. Kathryn G. Dewey</i>			SS Sponsored Symposium	
	La Pampa Track 4	CO Special Lecture: Nutrition and Inflammation: Put Out the Fire <i>Dr. Sylvia Escott-Stump</i>			SS Sponsored Symposium	
	Catalinas Track 6	CO Special Lecture: Olive polyphenols - important mediators of health benefits of the Mediterranean diet? <i>Prof. Ian Rowland</i>			SS Sponsored Symposium	
	Retiro C Track 8	CO Special Lecture: How to make food systems more nutrition-sensitive <i>Dr. Lawrence Haddad</i>			SS Sponsored Symposium	
	Retiro B Track 7	CO Special Lecture: Building capability and capacity in nutrition: cancer as a model <i>Prof. Martin Wiseman</i>			SS Sponsored Symposium	
	Retiro A Track 5	CO Special Lecture: From taste to weight <i>Dr. Arturo R. Rolla</i>			SS Sponsored Symposium	
	Auditorium Regional meetings	CO Book Presentation: Tratado de Nutrición 3 ^a ed. (Nutrition Treatise 3rd ed.) <i>Prof. Angel Gil</i>	AB Oral Abstract Session		SS Sponsored Symposium	
	Golden Horn International Orgs. & Projects	SY 144/164 - WHO/CDC Symposium on New Tools and Resources for Monitoring and Evaluating Micronutrient Public Health Programs <i>World Health Organization (WHO)</i>				
	Atalaya Miscellaneous Tracks	SY 144/171 - Seemingly Effective Pathways to Nutrition Behaviour Change <i>Nutrition Society of Sri Lanka (South Asia)</i>				
	Águila Miscellaneous Tracks	SY 144/1071 - Addressing the challenges iron deficiency anemia: Fresh insights from the HIGH Consortium (Hepcidin and Iron in Global Health) <i>MRC Unit The Gambia & MRC Unit Int. Nut. Group. London School of Hygiene & Tropical Medicine (United Kingdom)</i>				

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Thursday, Oct. 19

Scientific Schedule

MORNING	8:00-10:00	10:00	10:30	11:30-13:30	13:30
		10:30	11:15		
San Telmo Track 3	SY 144/125 - Climate Change and Nutrition: Challenges and Opportunities IUNS Task Force - Climate Change and Nutrition	Break	PL Plenary Lecture: Building and implementing evidence based nutrition policy (Prof. Juan Ángel Rivera Dommarco) (Plenary Room: Libertador A+B+C)	SY 144/1050 - Addressing the Childhood Obesity Challenge: Where are we? International Union of Nutritional Sciences (IUNS) & World Health Organization (WHO)	Lunch
Libertador C Track 1	SY 144/100 - Science Update of Phytonutrients in Aging Societies and Public Health Global Phytonutrient Society (GPS)			SY 144/96 - Advances in Feeding Behavior Research and its Relation to Nutrition Cusur, University of Guadalajara México (Mexico)	
Libertador B Track 3	SY 144/137 - Nutritional Profiling – scientific basis, uses and impact on Public Health Brazilian Society for Food and Nutrition (Brazil)			SY 144/107 - Integrating preventive strategies into community-based management of acute malnutrition: what works? International Food Policy Research Institute (IFPRI) (USA)	
Libertador A Track 2	SY 144/98 - Toward a new paradigm for assessing child growth: A Capability Approach IUNS Task Force - Towards Multi-dimensional Indicators of Child Growth and Development			SY 144/122 - How Can Communications for Maternal Infant and Young Child Nutrition be Improved? Lessons from South Asia South Asia Infant Feeding Research Network (SAIFRN) (South Asia)	
La Pampa Track 4	SY 144/68 - New Advances on Ketogenic Therapies Garrahan National Paediatric Hospital, Department of Clinical Nutrition (Argentina)			SY 144/1048 - Biomarkers Reflecting Inflammation and Nutrition Determinants of Anemia (BRINDA 2) Project BRINDA Steering Committee	
Catalinas Track 6	SY 144/80 - Omics tools to understand gene - nutrient interactions: knowledge to action IUNS Task Force - Gene Nutrients Interactions: Knowledge to Action			SY 144/11 - New Lipids for a New Nutrition Institute of Nutrition and Food Technology (INTA), University of Chile (Chile)	
Retiro C Track 8	SY 144/1039 - Paths to nourishing millions with biofortification Harvest Plus & International Food Policy Research Institute (IFPRI)			SY 144/1009 - Healthy consumption patterns and sustainable production: Exploring the links between agriculture, diet and lifestyle using organic as an example Danish Nutrition Society (Denmark)	
Retiro B Track 7	SY 144/113 - Development of Training and Research in Nutrition and Dietetics in Franco-phone African Countries African Universities and Nutrition Associations (Africa)			SY 144/148 - The Past and Future of Asian Food Culture and Nutrition Security: strengths and weaknesses Federation of Asian Nutrition Societies (FANS) (Asia)	
Retiro A Track 5	SY 144/119 - Immunonutrition in Health and Disease: evaluation of biomarkers International Society for Immunonutrition (ISIN)			SY 144/76 - Nutritional Challenges in the Elderly International Atomic Energy Agency (IAEA) (Austria)	
Auditorium Regional meetings	SY 144/142 - Hydration and work (Hidratación y trabajo) FEN, SENC & GLANC (Spain & Latin America)			SY 144/160 - Vitamin D: new insights from physiology to clinical practice Spanish Nutrition Society (SEÑ) (Spain)	
Golden Horn International Orgs. & Projects		SY 144/1055 - Evidence-based integration of nutrition across multiple sector programs: how can this be done? Nutrition International (formerly the MI) (Canada) & the Society for Implementation Science in Nutrition (SISN)			
Atalaya Miscellaneous Tracks	SY 144/28 - Sodium Reduction and Considerations with Mineral Intakes International Life Sciences Institute (ILSI) (USA)				
Águila Miscellaneous Tracks	SY 144/157 - Scaling up, sustaining, and spinning off: Alive & Thrive's lessons on infant and young child feeding in three countries, and implications for beyond Alive & Thrive (USA)	SY 144/1075 - New advances in data visualization and mapping: tools for improved decision-making in nutrition The Global Alliance for Improved Nutrition (GAIN) (Canada)			

IUNS 21st ICN

International Congress of Nutrition

15-20 October 2017

Sheraton Buenos Aires Hotel & Convention Center
Buenos Aires, Argentina

Thursday, Oct. 19

Scientific Schedule

AFTERNOON	Location	14:30-15:00	15:00-16:30	16:30	17:00-19:00	21:30
				17:00		
				Break		Gala Dinner
San Telmo Track 3	CO Special Lecture: Impact evaluation readiness in population-based nutrition programs: examples from food fortification <i>Prof. Lynnette M. Neufeld & Prof. Valerie M. Friesen</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Libertador C Track 1	CO Special Lecture: Inflammation and beta cell failure in Type 2 diabetes <i>Dr. Gustavo Frechtel</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Libertador B Track 3	CO Special Lecture: A Community-based strategy for effective implementation of the baby friendly community initiative in rural Kenya: Challenges, Strengths and Opportunities <i>Prof. Judith Kimiywe</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Libertador A Track 2	CO Special Lecture: The interface of maternal and child nutrition: how can we do better? <i>Prof. Zulfiqar A. Bhutta</i>	AB Oral Abstract Session	SS Sponsored Symposium			
La Pampa Track 4	CO Special Lecture: Biochemical profile in patients suffering different types of cancer and AIDS. <i>Prof. Nora H. Slobodianik</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Catalinas Track 6	CO Special Lecture: Membrane Lipid Peroxidation in Human Nutrition and Aging <i>Prof. Teuro Miyazawa</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Retiro C Track 8	CO Special Lecture: Why experiencing food insecurity has bad consequences for children and how we can prevent them <i>Prof. Edward Frongillo</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Retiro B Track 7	CO Special Lecture: Gastronomy at the Intersection of Nutrition and Education <i>Prof. Gregorio Varela</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Retiro A Track 5	CO Special Lecture: HDL cardioprotective capacity: alterations in metabolic disorders <i>Dr. Fernando D. Brites</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Auditorium Regional meetings	CO Special Lecture: Trends in food production and trade <i>Ing. Agr. Mercedes Nimó</i>	AB Oral Abstract Session	SS Sponsored Symposium			
Golden Horn International Orgs. & Projects	SY 144/111 - Promoting Nutrigenomic Education in Nutrition, Dietetics and Other Allied Health Curricula, an ISNN Initiative <i>International Society for Nutrigenetics and Nutrigenomics (ISNN) (USA)</i>
